

Weatherby PUD

Project Profile

Weatherby Planned Unit Development, Woolwich Township, Gloucester County, New Jersey - CES is proud of being a part of this Planned Unit Development and designer of several of the sub-projects located in the Weatherby Development in Woolwich Township. This exciting mixed use project calls for over 4,000 residential units including a mix of Single Family Lots, Age Restricted Lots, Townhomes, Condominiums, Commercial and Office Sites, and Sites for Schools, Recreation, and a Municipal Building.

After completing wetlands mapping, NJDEP submissions, and surveying much of the site, CES provided design and permitting services for several sub-projects such as the Lexington Hill single family homes project, a CVS pharmacy, numerous traffic reports, and county road widening projects, including design of a traffic signal. Current designs include the Chancellor Development Commercial Center and a major portion of the remaining single family lots, townhomes, and a Orleans condominium site behind the CVS.
