

Municipal, County and State Projects

CES has over 40 years of professional experience in all types of public facility engineering, surveying, inspection and reviews. During our history, we have been Township Engineer, Planning Board Engineer, Zoning Board Engineer, MUA Engineer and Special Project Engineer for over 40 municipalities.

CES services include the design of countless miles of public roadways, sewer and water lines, pump stations, water tanks, bridges and dams, as well as athletic fields, public parks and buildings and grounds projects.

Current municipalities and authorities that look to CES for capital projects and board reviews include:

- Burlington County Bridge Commission
- South Jersey Transportation Authority
- Pennsauken Township
- Pennsauken Sewerage Authority
- Merchantville-Pennsauken Water Commission
- Borough of Merchantville
- Gloucester Township
- Gloucester Township MUA
- Mantua Township
- Township of Riverside
- Franklin Township
- Gloucester City
- Evesham Township
- Westville Borough
- Gloucester County
- Salem County
- Atlantic County
- Cape May County
- NJDOT Prequalification for B-1, H-1, H-3, I-6
